

Position: Behavioral Intervention Services Recruiter

Location: Chula Vista, CA

Type: Full-time

Compensation: based on qualifications

Must be available M-F 8:30 am - 6:30 pm and half day on Saturdays

Must pass fingerprints and background check

Provide/obtain immunization and Tuberculosis clearance

#### JOB SUMMARY:

The Recruiter will work in conjunction with Management to develop and implement a plan to recruit staff members for the Behavioral Services Department. The recruiter will have the task of recruiting potential hires from the community at large, as well as organizations such as community colleges, universities and resource agencies. This Recruiter will be expected to travel to locations to establish and maintain collaboration with such organizations. The Recruiter will also be responsible for attending job fairs and evaluation of potential staff members from different sources (e.g., Indeed, Craigslist, school sources). The Recruiter will also coordinate with Human Resources to hire new staff, ensure that new staff complete training and conduct training for Registered Behavior Technicians (RBTs).

#### QUALIFICATIONS

1. A Bachelor's degree in Psychology or a related field or RBT certification is preferred.
2. Strong written and oral communication skills
3. Knowledge in the field of Applied Behavior Analysis methodology in order to assist in training RBTs as well as present and describe the position in a professional manner.
4. Strong organizational skills
5. Ability to work independently
6. Ability to pass background/fingerprint clearance.
7. Reliable means of transportation, valid California driver's license, car registration and insurance that meets California requirements.
8. Provide/obtain immunization and Tuberculosis clearance.
